

Class of 2016

Project Graduation

As many of you may know, it is a long standing tradition that immediately following our children's High School graduation ceremony in June of 2016, our graduates will be transported to a surprise location for a chaperoned, substance-free, ALL-NIGHT celebration! We are just beginning to plan, but included will be dinner, activities, snacks, transportation to and from the event, and many surprises!

This event is funded solely by the parents of the graduates. There is **NO** financial assistance from the school, class fund, PPO or any other organization within the school. Preparations for Project Graduation 2016 are underway, and in order to secure locations we need your assistance with submitting your child's initial deposit. The cost to attend Project Graduation will be \$195. At this time we are asking for the first payment of \$100, which is due by June 10th. The second payment of \$95 will be due on October 1, 2015. If you wish, you may send the entire payment of \$195 now.

Obviously, without a headcount and finances to make deposits we are not able to secure venues/activities, so we appreciate your attention to this.

If you have any questions, please call or e-mail one of us. We thank you for your cooperation, and we look forward to working with you to plan a fabulous graduation celebration for our children!
