Dear Parent(s) and Guardian(s),

It seems like only yesterday we were opening our doors and welcoming students in September and suddenly we were preparing for the graduation ceremony of the Class of 2016. Being an educator provides one with the amazing opportunity to watch young people transform before our very eyes. Each school year a group of young energetic eighth grade students walk nervously across the stage at induction and four years later they proudly walk across the stage for the final time as confident young adults ready to tackle new challenges in college and beyond.

Just as our faculty and staff bid a fond farewell to the BCA Class of 2016, we begin looking toward September when we will welcome back our returning students as well as the newest members of our community, the Class of 2020.

The Bergen County Academies continues to be recognized as one of the finest schools in the nation because of our talented students, our dedicated teachers as well as our supportive parents and guardians.

On behalf of our entire faculty, staff and administrative team, I wish you a wonderful summer. I hope that each of you find some time to enjoy the outdoors and surround yourself with friends and family.

*See you in September!*

Sincerely,

Russell Davis

Principal
