

Dear Parents/Guardians,

It is my pleasure to welcome our new students and families to the Bergen County Academies, and say hello again to our returning families. On my visits to the Academies and our Bergen Tech campuses, I'm proud to see our students and staff fully engaged in their academic pursuits and extracurricular activities.

That commitment to excellence in all endeavors is characteristic of both our students and staff, and ensures the continuing success of our students and our schools. We have many initiatives planned for this school year, and I look forward to sharing that information with you as the year progresses.

We are very excited about our partnership with MSG Varsity network and encourage you to tune in and check out the events that will be posted for the Bergen County Technical Schools. And, as always, I urge you to be involved with the PPO. Through your participation in the many activities and events sponsored by this wonderful organization, you can contribute to your child(ren)'s high school experience in a meaningful and enjoyable way.

Sincerely,

Howard Lerner, Ed.D.  
Superintendent
